1 feature "dialogue": vladimir tikhomirov, at listener's request, replies on soviet communists' foreign policy program. (15 min: greek 1730)

2 (krichevskiy) on un econ. social council meeting in geneva, rapping west for exploiting developing countries. (5.5 min: mandse 1230)

3 nikolay agayants "millions in the grip of despair," on plight of working class in western world, due to unemployment, rising prices and so forth. dwells on situation in usa where reaganomics have clearly failed. quotes various politicians and organizations opposing administration's view that arms spending is good for economy. (orbita 0500 home 1000)

4 igor penchenko, re session of un committee for liquidating race discrimination, questioning u.s. right to declare human rights day 1 august when u.s. pursues racist policy and supports racist and repressive regimes. cites examples of racial discrimination practiced by usa, south africa, israel and in various european countries. (5-3 min: enginter 1300 frenchinter 1600 italian 1700 turk 1400 arabic 1730 portaf 1830 indo 1330 1500 but 1430)

5 "talking to you" feature: reading letters received from listeners, and answers read by vyacheslav rostovtsev on situation in nicaragua, sale of alaska to usa, tv film depicting what third world war would be like. (12 min: spanla 0660)

received by radio moscow denounce militaristic u.s. foreign policy and u.s. imperialists' efforts to obstruct course of history. listeners also point out that imperialists try to hide their reactionary policies by raising commotion about imaginary soviet threat. one listener, siamak, points this out and writes that unfortunately situation on workers today has barely unchanged in comparison with situation that prevailed during shah's rule. he writes that iranians are well aware of who their friends and foes are and remember how soviet union and iran jointly fought against hitler during world war ii (3 min); parts of letter by 'ali tabari is read in which author says everyone is aware that soviet union assists oppressed countries. muslims will not forget assistance extended by soviet people to arab nations in their struggles against israel. imperialists are resorting to various machinations in order to discredit soviet-iranian relations. recently they have been resorting to anti-soviet hysteria while filling iran with their own spies. author then writes that iranian people want to maintain and expand friendly relations with soviet union (2 min); c. many letters recently received are devoted to soviet-iranian relations. writers of all these letters believe that expansion of soviet-iranian cooperation will not only result in great benefits for both sides but will also help to strengthen peace and stability throughout region. mr hamid eslamizadeh writes about his wish for friendly relations between iran and soviet union. u.s. imperialists are trying to obstruct this, but we should not be deceived by them and, by understanding great importance of goodneighborliness, we should help to strengthen such relations (1 min); d. announcement on radio moscow broadcast hours, in answer to listeners' question (brief). e. answer to some listeners' questions on conditions for acceptance by soviet colleges, saying students from many parts of world come to soviet union to study. student acceptance is based on agreements between governments. unfortunately no such agreement has been signed between soviet union and iran (brief). f. answer to listeners' questions on artek children's camp on black sea coast (3 min); g. answer to question by mr salamati on results of social progress in soviet union (2 min); h. request time. (3 min). (total 15 min: persian 1700)
